Parish Directory

The Directory is updated regularly throughout the year.

- If you have recently moved house, please could you send your new address to the parish office.
- Many people no longer use a landline phone so if you only have a mobile phone now, please could you let the parish office know the correct number to put in the directory.
- We sent most of our communications out by email, so if you have changed yours recently, please make sure the parish office has your current email address.

We print the directory on demand, and it has the date of printing on the front cover. If you don't have a directory, or if your copy is out of date, just contact the parish office to order your updated copy.

We have hosted the Paraparaumu social bridge group for the last few months whilst their own club rooms were being refurbished. Their last meeting here was yesterday and they sent this email:

On behalf of all the group I would like to give you and the church a big thank you for allowing us to play in your rooms. Everyone today expressed how much they had enjoyed playing there.
