Together Magazine

We would like to be able to share more of the many and varied events and experiences in our Parish with each other through the Together magazine.

Please can you help – we are looking for current events as well as recollections of the past. The events do not need to be organised by the Church, just connected with it whether through Parish members or happenings in our Parish.

If anyone has any stories or photos or ideas of articles we could include in the magazine, please forward them to the KUP office. You can send these on paper, email, phone or in person – they don't need to be polished as the Together editor will be responsible for typing up, proofreading and arranging stories.

Deadline for submissions to the July edition of Together is Friday 23 June *but entries can be sent through at any time for inclusion in the next edition or in a specific future edition.*
