Lenten Study

Tuesdays 13 February to 19 March
2-3pm in the Raumati Meeting Room

The Christian churches of the Middle East are facing a crisis unparalleled in recent history. These are ancient communities that trace their origins back to the very beginnings of Christianity. As a result of a set of complex religious and political factors, the number of Christians in the region has fallen dramatically as many have sought refuge in other parts of the world, especially the West.

Lent is a crucial time to remember the lands in which Christianity has its roots – Syria, Lebanon, Egypt, Israel, Palestine and above all Jerusalem are names that remind us of crucial events in the Bible, but also names that dominate our news today.

All are welcome to attend
